## In Loving Memory Honoring our Animal Friends through the Memorial Walkway Program

The Memorial Walkway leads visitors from the sanctuary facility to Cherny's Garden, a contemplative and peaceful setting where the spirits of our animal friends rest. Offers a meaningful opportunity to pay tribute to your special companions and support the rescue and care of hundreds of felines that pass through our doors. With a gift of \$500, we invite you to inscribe a brick along our walkway to honor the memory of a beloved pet or human. We will send you a photo of your engraved brick, and we welcome you to visit the sanctuary and view your brick in person.
